

By downloading, sign in and using UpnGo app you signify your assent to this disclaimer.

---

The contents of this app, including without limitations, all data, information, text, links, images of places, colors and graphics are meant to be used by UpnGo only to enhance user experience UX.

The UpnGo app algorithm use, stores and processes settings data you have provided to us so UpnGo can create your flight notifications. It's your responsibility to keep your phone and access to the app secure. Do not jailbreak or root your phone (removing software restrictions on your operating system) it could mean that the UpnGo app won't work properly.

For UpnGo to legally issue you, and your companions an airline ticket(s) and boarding pass(es), personal data needs to be share with the airline. UpnGo adheres to and applies the same refund, return, change or reimbursement policies that the airline has established, so any matter must be dealt with directly with the airline.

To properly work, the UpnGo app is linked to other API's or websites, UpnGo has no control over the content or malfunction of these third party.
